*An **IKON** of inspiration & comfort*

Comfort built upon innovation & steel

IKON is the latest collection from motion furniture specialists, Celebrity Motion Furniture Ltd. Each recliner is hand-crafted by skilled upholsterers at our site in Nottinghamshire, UK.

When you invest in IKON comfort, you are investing in relaxation for many years to come. The strong skeleton of steel and springs, with high quality foam moulded directly over the frame, provides long lasting support and comfort. The upholstery is carefully sourced to form a collection of over 65 durable, super soft fabrics, in a range of designs, colours and tones. IKON recliners are suitable for users up to 20 stone and built to last. All recliners carry our 5-year frame, action and motor guarantee.

IKON Recliners also compliment Celebrity models. Model shown is the IKON Orion and Celebrity Hertford range all in Lintel Moonstone fabric.

Every IKON Classic and IKON New Generation recliner has an adjustable headrest for ultimate comfort, bases that rotate through a full 360° for maximum ease, and specially upholstered comfort zones to perfectly support your back, legs, arms and neck.

Independently adjustable headrest

Our innovative powered control system allows the independent use of the footrest and seat back to maximise comfort. All powered models include a handy USB point on the control panel so you can plug in your devices without having to leave the comfort of your armchair.

Guaranteed Comfort

The IKON Recliner collection is designed and manufactured in the heart of the UK, using skilled upholsterers and only the finest materials. Upholstery fabrics have been carefully chosen to offer years of durable wear and internal frames created to give the collection strength and stability. But don't just take our word for it.

Try an IKON Recliner for yourself, lie back, put your feet up and drift away on a sea of relaxation.

5-year guarantee on IKON frames, motor and action

IKON Recliners offer complete peace of mind with the frame, motor and action covered for a full 5-years against manufacturing defects and faults – and that's not all. IKON upholstery is also covered for up to 12 months against any manufacturing imperfections or defects.

**Please note that the guarantee does not cover accidental damage in use to any part of the product e.g. USB port, fabric.*
