

Furniture

The Furniture industry requires expertise with ALL shipments of expensive and specialist products, for indoor and garden ranges.

Cory are experts in this sector. Our team send, receive and manage full and part load shipments too and from all major trade lanes and regions.

We anticipate problems and apply a flexible approach dealing with constant changes in conditions, wants & needs.

Our teams use the best suppliers available to ensure your goods are looked after and reach the destination; depot or site on time and in good order.
